RE: Declaration of Similarity  
FCC ID: 2ACGBMCM3915

To Whom It May Concern:

Please be advised that the models MCM3 (MU3 MultiCom) , MUM3 (MU3 GSM) and MUL3 (MU3 Landline) are electronically identical for the ISM transmitter.

MCM3 (MU3 MultiCom) is the main model.  
MUM3 (MU3 GSM) and MUL3 (MU3 Landline) are product variants.

All ISM RF measurements and test results are exactly the same.

The difference between the models are extra GSM/Landline options which may be fitted on the main board :

MU3 MultiCom main board has GSM + Landline phone options fitted,  
MU3 GSM main board has GSM option fitted,  
MU3 Landline main board has Landline phone option fitted.

Thank you for your attention to this matter.

Yours faithfully
